

## Scorpions Open Camino League Play

Camarillo faces Moorpark tonight in the Camino League opener and final season for the league. Next season Camarillo and Moorpark are going the newly formed Canyon Football League. Camarillo is coming off a 33-0 win over a solid Paraclete squad last Friday. Injuries continue to plague the Scorps with top defensive and offensive player Jack Bowers sidelined with an injury as well as many other players on both sides of the ball. Sophomore Nathaniel Madrigal has filled in beautifully and continues to grow in his RB position on Varsity. Brody Meyer the Camarillo QB has thrown for 1263 yards and 12 Touchdowns in his Junior debut. Jack Maulhardt and Brandon Contreras are the top receivers. Jack Maulhardt has scored the most TD's on the team with 7. Defensively the top players on a squad that is allowing only 12.5 points per game are Marcos Jaquez, Ethan Nicely, Jamie Schatmeier, Anthony Esparza, Brandon Contreras, Ryan Johnson, Robert Valles, and Reece Winchester. The Scorpion varsity has had to pull JV players up so the decision was made to mergé JV and Frosh together for the remainder of the regular season. The Frosh team had struggled this season and finished the year 0-6-1 after last weeks 12-6 loss at Buena. The JV's suffered a 22-6 loss at Paraclete and drop to 5-2 on the year.

Moorpark is coming into tonight's contest also banged up and struggling for a win. The Musketeers are 1-6 with its only win against Hart 21-7. Moorpark lost last week 20-12 to Mira Mesa from Temecula. Moorpark looks to finish Camino play next week at home vs Bishop Diego and then at Newbury Park on October 29. Camarillo remains at home for the rest of the regular season with Moorpark tonight, Newbury Park next Friday and ending with Bishop Diego.

# Moorpark vs Camarillo for the 12th time

Camarillo and Moorpark began their series during the Scorpion's first varsity campaign in 1957. Moorpark had already been playing football for decades before that game. Once a very small farming community, Moorpark started exploding in the 1980's and 90's. The high school was on High Street (the Boys and Girls' Club uses the building now) and the domed gym was visible from most of the original town. The stadium was down in the pit next to the old campus with cement bleachers on the home side and small wooden bleachers on the visiting side. Camarillo's current equipment manager Tony Godinez was a football player for Moorpark and fondly remembers the days of a struggling Musketeer program that rarely won a game. Fillmore was their big rival in the early to mid 20th century but the Flashes dominated the series, as did Carpinteria who had Moorpark's number starting in 1935 and not losing to Moorpark until 1997 in the mud and rain when MHS ended "the streak" against Carpinteria 33-0 for the Division 10 CIF Title - and Moorpark's only football CIF Title. Those 51 straight losses against one opponent even made the Guiness Book of World Records Well times have changed. Moorpark is routinely a Ventura County football power with one of the most state of the art stadiums around. If they were to schedule Carpinteria now Moorpark would cut into that lead rapidly. The Musketeers have a proud fan base that has seen many league titles and big CIF playoff wins even several semi final appearances. Camarillo on the other hand has had decades of football success and still struggled with Moorpark especially in the CIF playoffs. Tonight should be another entertaining game with both teams starting Camino League play. Next week the Scorpions are home to rival Newbury Park. Next season both Moorpark and Camarillo will join the newly formed Canyon League with Oak Park, Newbury Park, Agoura, Thousand Oaks and Royal.
